

# SmugMug

Camp photographs will be uploaded to Playland's SmugMug page on a daily basis by a Camp Playland counselor who will take many photos every day.

Please visit **[campplayland.smugmug.com](http://campplayland.smugmug.com)** to see photos. The password is **summerfun!** (don't forget the exclamation point).

You may download photographs at no charge or order prints from SmugMug at any time.

You may email the camp photographer directly with special photo requests: [photographer@campplayland.com](mailto:photographer@campplayland.com)
