

## Summer Warm-Up Camp for Preschoolers

### General Information

Dear Parents:

We are set to **Warm-Up for summer** and we are excited to have your children with us.

**Dates and Hours** – The first day is Tuesday, May 29<sup>th</sup>. The last day is Friday, June 15<sup>th</sup>. Warm-Up hours are Monday to Friday, 9:00 am to 2:00 pm.

**Parent Communication** – Please contact us anytime with questions or concerns. Playland implements a simple philosophy; we provide a safe, fun, warm, loving, nurturing and instructional program for children. We want every child to enjoy a fun and enriching experience. This is best accomplished when parents, counselors and directors work together. If there are alerts or information that will enable us to better serve your child, please be certain to communicate this to us now. Playland has an open door policy. Parents may visit anytime. All visitors must check in at the office for a “Visitor Sticker”. No person is allowed on the Playland campus unless they are identified and received by the office.

**Health Regulations and Emergency Form** – A health form and an Emergency Form are required. These forms may be downloaded from the Playland Nursery School website – [www.playlandnurseryschool.com](http://www.playlandnurseryschool.com). Forms on file for the current Playland Nursery School year will suffice. **Playland does not provide accident or health insurance.**

**Medication** – We do not administer medication. If your child has a severe allergy and requires Benadryl™ and/or an EpiPen™, you must notify the directors before the start of Summer Warm-Up. Staff may administer these medications only for a child whose parents and physician have provided the prescribed medicine and all required legal documentation.

**Clothing** – Dress your child according to the weather. Children should wear sneakers and socks, shorts and a t-shirt. A complimentary Summer Warm-Up t-shirt will be given to each child.

**What To Bring** – Children should bring a beach bag or backpack which includes a plastic bag for wet things, one bathing suit, one towel, sweatshirt and sunscreen. **Please label everything!** We suggest that children wear their bathing suit under their clothes in the morning and pack underwear and shorts. Children will not wear wet bathing suits around campus.

**Our program is “Peanut/Nut Sensitive”** – There are children throughout our program with peanut and other nut allergies. All snacks and meals that we provide and cook will be peanut/nut free. Please do not pack foods that contain peanut or nut products for lunch. This includes foods that have been manufactured in a facility that uses nuts and nut oils, including peanuts. If you send an alternative nut butter (Sun butter for example) please label it as such.

**Lunch/Snack** – Monday to Thursday, children should bring a nut free lunch in a lunch box or bag clearly labeled with your child's name. **FRIDAY IS “PIZZA DAY”! Children will not need to bring lunch on Fridays.** Campers with dietary restrictions or preferences may bring their lunch (or supplement ours) on Fridays. Lunches are refrigerated. If required, we can microwave a lunch. We will provide water at lunch and a morning snack.

**Birthdays** – A child whose birthday falls during Summer Warm-Up will be recognized on their special day. Parents should not send in snacks or goody bags to celebrate a birthday or any other occasion.

**Rainy Days** – As much as possible we will be outdoors. On a rainy day children should wear a raincoat. Always send in swim gear as the weather can be very changeable.

**Swimming** – Weather permitting children will swim daily in our heated pools. Children should not bring artificial floatation devices; any water wings or bubbles. Children are welcome to bring swim goggles.

**Sunscreen** – Parents should apply sunscreen in the morning. Pack sunscreen and counselors will reapply the sunscreen after each swim. Please label the sunscreen.

**Attendance and Early Pick Up** – Please contact the office if your child is absent and/or you wish to pick up early.

**Drop-off Procedures** – Each group will have a designated playground for drop off. Upon pulling into the Playland campus you will be directed to your “drop off zone”. A counselor will be there to open the car door and receive your child. In the morning, you need not leave your vehicle; but you must place the car in Park (P) and/or turn the vehicle off. At dismissal, you will be directed to park and exit your car to receive your camper. You will pick up at the same location as drop off.

Just prior to the start of Summer Warm-Up, you will receive the following information via email:

- your child's group assignment
- a group roster
- a group schedule
- a list of counselor names

Summer Warm-Up is going to be a wonderful start to the Camp Playland season! Please communicate anytime with questions.

*“Uncle” Gary & “Uncle” Steve*
