## Previous camp Experience

---

Please answer the following questions to the best of your ability. The more we know about you, the better!

---

## Additional Information - Staff Application

**Work history** Throughout my life, I have taken on several informal jobs that have helped me develop strong responsibility, time management, and problem-solving skills. Growing up, I played a significant role in caring for my younger brother, who has special needs. This experience required patience, adaptability, and a deep sense of responsibility. Additionally, I have taken on babysitting responsibilities for family members and friends, ensuring the safety and well-being of young children. Beyond childcare, I have also assisted with tasks such as dog walking and pet sitting, where I managed schedules, provided exercise, and ensured pets were well cared for in their owners' absence. These experiences have reinforced my ability to handle multiple responsibilities, work independently, and be a dependable resource for those around me.

**Working with Children** I want to work with children in a summer camp setting because I am passionate about mentorship, leadership, and creating a positive impact in young people's lives. Growing up, I played a significant caregiving role for my younger brother, who has special needs, which taught me patience, empathy, and adaptability—skills that are essential when working with children. I believe summer camp provides a unique opportunity for children to learn, grow, and build confidence in a fun and supportive environment. I want to be part of that experience by fostering a safe and engaging space where kids can develop new skills, make lasting friendships, and feel encouraged to be themselves. Additionally, working in this setting would allow me to further develop my leadership and communication skills, which are valuable in my career aspirations in law and public service. Ultimately, I want to contribute to creating meaningful summer experiences for children while gaining valuable hands-on experience in teamwork, problem-solving, and mentorship.

**Working at CPL** I believe I can add value to your team through my strong leadership skills, adaptability, and passion for mentorship. As the president of the Latino Politics Club and treasurer of the UConn Stamford Democrats, I have experience in organizing events, fostering teamwork, and creating inclusive environments—skills that translate well into a summer camp setting. Additionally, my background in caregiving, including helping raise my younger brother who has special needs, has taught me patience, responsibility, and the ability to connect with children on a personal level. I am highly dependable, energetic, and committed to creating a fun and safe space where children can learn, grow, and build confidence. Beyond my interpersonal skills, I bring a strong work ethic and a willingness to take initiative, ensuring that camp activities run smoothly and that both campers and fellow staff members have a positive experience. My goal is to contribute to a supportive and engaging environment where both the campers and my colleagues can thrive.

**Special skills or talents** I have several skills, talents, and hobbies that I believe would be valuable in a summer camp setting. I am a strong communicator and leader, skills I've developed through my roles as president of the Latino Politics Club and treasurer of the UConn Stamford Democrats. These experiences have also honed my ability to work collaboratively, solve problems, and create inclusive spaces. In addition to leadership, I enjoy public speaking and debating, which have strengthened my confidence and ability to engage with others effectively. I also have a creative side—I enjoy writing, whether it's for academic purposes or personal reflection. On a more active level, I love being outdoors and staying active. Whether it's hiking, playing sports casually, or engaging in team-based activities, I enjoy movement and promoting a positive, energetic atmosphere. Lastly, my experience caring for my younger brother, who has special needs, has given me patience, adaptability, and a deep sense of empathy—skills that are crucial when working with children in any capacity. I would love to bring these skills and interests to the camp to help create a fun, engaging, and supportive experience for all campers.

Please provide us with additional information about your skills and qualifications

Camp dates for 2025 are Monday June 23rd– Friday, August, 8th. Camp will be closed on Friday,

July 4th. Staff orientation meetings are scheduled for June 2025 prior to the first day of camp. Attendance for orientation is required by all staff. All staff will be required to work at least one "Stay Late" evening during the summer.

---
